

RBCPC Preschool Scholarship Application 2021-2022 School Year

RBCPC Preschool strongly values our inclusion program and the ability to give every child the opportunity to attend our school. (This includes financial situations as well as other special needs.) We have a scholarship program in place to help families who may be facing financial hardships that may prevent their child from being in our program. The Sharing Lives Scholarship Fund allows families to send their children to RBCPC Preschool with the help of financial assistance.

Sharing Lives is predominately funded by our Annual Women's Night Event. Local businesses and community members donate their services and products to be auctioned off. Proceeds from this event go to the Sharing Lives Scholarship Fund. We encourage all parents of RBCPC Preschool children to be involved in this event by attending and/or volunteering. Together, we can help raise more funds for families to keep receiving financial aid for years to come.

Process:

To obtain financial assistance, applicants must complete and submit the following documentation:

1. Last two months of income documentation for all household members with any form of income (i.e., paycheck stubs, unemployment verification, social security payments, etc.)
2. First two pages of 2020 federal tax return that are completed and signed
3. Fully completed and signed application

- ❖ Please note that all financial statements and applications will be kept confidential. Only the preschool administration team and church administration will see identifying information. Non-identifying information will be viewed by the ECE committee to determine financial assistance if needed.

Scholarship Award:

Scholarship award amounts will depend upon each applicant's financial situation and funds available. Scholarships are designed to pay a portion of the total cost for each child receiving assistance. The parent(s) is expected to pay the remaining portion. Submission of this application does not guarantee that financial assistance will be awarded.
